The 7 Habits of Highly Effective People: Foundational Principles (1 hour 40 minutes)

The 7 Habits of Highly Effective People: Foundational Principles is based on the best-selling book, *The 7 Habits of Highly Effective People*, authored by Dr. Stephen R. Covey. Named the #1 most influential business book of the 20th century by *CEO* magazine, the book enables readers to improve their individual and organizational effectiveness by helping them envision and create successful lives. Now these same foundational principles are illustrated in this video of Dr. Covey teaching in an informal setting.
